

Instructions for Completing the Personal Financial Statement

1. The value of the primary residence of any person required to complete this financial statement is exempt. Therefore do not include the value of the primary residence either as an asset or a liability. However, equity/debt in any other property—for instance vacation, rental, time-share, commercial, land holdings, etc.—must be declared in the appropriate categories, and it must be documented by the owner's personal federal tax return.
2. Property, money, investments and corresponding liabilities, which are jointly owned should be entered into this Statement with only the proportion that belongs to the person completing this Statement. DBE companies with more than one DBE owner should require EACH disadvantaged owner to complete one of these Personal Financial Statements. Non-Disadvantaged owners are NOT required to complete this Statement.
3. Any equity/debt in the particular business applying for DBE Certification is also exempt from declaration. However, equity/debt held in any other business (including another DBE company) by the person required to complete this financial statement must be declared in the appropriate categories, and it must be documented by the owner's personal federal tax return as well as the respective business federal tax return for each business entity declared.
4. The Personal Financial Statement must notarized by someone other than a family member. It should be dated and signed within the previous 90 days before submitting it to the Unified Certification Program.

NOTE: Please note that all copies of tax returns must be **SIGNED** and **DATED** by an authorized individual before submittal.

Please be sure to describe the items in the corresponding Sections for description.
